

Fortune Passenger List

The ship Fortune with Master Thomas Barton, arrived at Plymouth on November 9, 1621, just a few weeks after the First Thanksgiving. This passenger list is based on the 1623 Division of Land, the passenger list compiled by Charles Edward Banks in Planters of the Commonwealth, and by the information found in Eugene Aubrey Stratton's Plymouth Colony: Its History and its People, 1620-1691.

The Fortune carried Philippe Lannoy and Robert Cushman from the unfortunate 1620 Speedwell, presumably along with the remaining Separatists from the Speedwell who did not return to London, Leiden or board the Mayflower.
